Education

Bachelor of Computer Applications

Bangalore University (Vasavi Jnana Peetha First Grade College)

CGPA: 8.92 | 2021 – 2024

Masters of Computer Applications (Pursuing 3rd Semester)

Bangalore University (G.T. College)

CGPA: 8.18 | 2024 – 2026

Project

1. Intrusion Detection and Prevention System

Technologies: Java, Servlets, JSP, JDBC, MySQL, HTML, CSS, JavaScript

- Designed and developed an Intrusion Detection and Prevention System (IDPS) using Java Servlets and web technologies to monitor suspicious activities.
- Implemented rule-based detection mechanisms to identify abnormal patterns and potential intrusions.
- Integrated JDBC with MySQL to securely store intrusion records, user activity logs, and detection results.
- Developed a responsive web interface using HTML, CSS, and JavaScript for real-time monitoring and alerts.
- Followed MVC architecture to separate presentation, business logic, and database layers.

2. AI-Driven Emotion-Adaptive User Interface

Technologies: React.js, face-api.js, Spring Boot, REST APIs

- Developed a real-time AI-based application that detects facial emotions using deep learning models (face-api.js) via webcam input.
- Implemented emotion inference logic with confidence thresholds and temporal smoothing to improve detection of subtle emotions such as sad and angry.
- Designed a dynamic user interface that adapts themes, content, and visual elements based on detected emotional state.
- Enhanced user experience by reducing false emotion dominance through custom emotion re-weighting logic.

Skills

- **Programming Languages:** Java, C
- **DSA:** Arrays, Strings, Linked List, Stack, Queue, Trees (Basics)
- **Web Technologies:** HTML, CSS, JavaScript, React JS
- **Backend:** Java, Spring Boot
- **Database:** MySQL
- **Tools:** Git, GitHub

Achievements

- Full Stack Java Development Training (JSpiders): Core Java, Advanced Java, JDBC, Hibernate, Spring Framework, SQL, HTML, CSS, JavaScript, React JS
- Runner-up in Crackathon, Inter-College Technical Competition (Surana College)
- Executive Committee Head (Academics): Leadership, academic planning, and student coordination
